

AUSTRALASIAN BOARD OF CARDIOVASCULAR PERFUSION

AUTOTRANSFUSION COURSE

2019

The ABCP Invite all healthcare workers interested in Autotransfusion to enrol in the 2019 Autotransfusion Course.

The purpose of the course is to provide current and future autotransfusionists with the background information necessary to provide a safe and effective service.

The course runs for 10 weeks and is conducted three times per year at a total cost of \$275 per enrollee (free to ANZCP members).

11th February (applications close 4th February)

27th May (applications close 20th May)

2nd September (applications close 26th August)

For additional information and enrolment details please contact the course co-ordinator at

autotrans@anzcp.org
