

**North Shore Perfusion Pty Ltd**

Positions available

# **Cardiac Perfusionist**

## **Full time/ Part time/Casual**

North Shore Perfusion Pty Ltd is a private perfusion company operating at North Shore Private Hospital, a 313 bed facility at St Leonards, Sydney. We provide all types of perfusion services for general cardiac cases, robotic cases, ECMO, some haematology services, autotransfusion and TAVI support.

Due to increasing number of cardiac lists and staff holidays, we are requiring more staffing at either a full time, part time or casual level. This is a senior perfusion position, due to the requirement of working independently within a close team of Anaesthetists, Nurses and Surgeons; providing a complete perfusion resource for the team.

We currently have eight staff members and if you would like to join our team and be well remunerated for your expert skills then please send your resume to
