

Safer Care Victoria is pleased to invite all clinicians including medicine, nursing, allied health and pharmacy, as well as consumer representatives, educators, academics, health service leaders and managers, to the **Cardiac Clinical Network (CCN) Strategy Day on 5th June 2019 at the MCG.**

The purpose of the CCN Strategy Day is to enable clinicians and stakeholders to assist the CCN in identifying key priority areas which will become the focus of quality improvement initiatives for the CCN and broader cardiac sector over the next three years.

Details of the Strategy day are as follows:

Date: Wednesday 5th June 2019

Time: 9:30 am to 3:30 pm

Location: MCG, Yarra Park Room

A formal invitation and program details will follow in the coming weeks.

Please register your attendance at: <https://bettersafecare.vic.gov.au/events/cardiac-clinical-network-planning-and-strategy-day>

It is recommended that each health service brings a mix of medical, nursing, allied health and pharmacy staff, as well as consumers with an interest in quality improvement.
