Dr Ben Davies is a consultant paediatric cardiac surgeon at the Royal Children's Hospital, Melbourne. He graduated from the University of Nottingham, completed general surgical training in Sheffield before undertaking a PhD at the Murdoch Children's Research Institute in Melbourne. He returned to the UK where he completed cardiothoracic surgical training. From 2000 to 2020, he served as a consultant paediatric cardiac surgeon at Great Ormond Street Hospital, London where he was the surgical lead of the ventricular assist device programme. Research interests include clinical outcomes research, optimising ventricular assist for children and cell-based therapy for non-ischaemic myocardial disease.
