40th Annual Scientific Meeting
16-18 November 2023
Kimpton Margot Hotel
Sydney Australia

Visit: www.anzcp.org

Professor Jayme Bennetts is Director of Cardiothoracic Surgery at Flinders Medical Centre, Adelaide and provides Paediatric Cardiac Surgery services at Women's and Children's Hospital. His special interest areas include:

- Complex mitral valve repair, including rheumatic valvular disease
- OPCABG
- Adult congenital surgery
- TAVI
- Complex aortic and arch surgery

Professor Bennetts has made significant contributions to the outcomes of Cardiac Surgery in Indigenous Australians. He is past president of Australia and New Zealand Society of Cardiac and Thoracic Surgery (ANZSCTS), and over the last 10 years has led significant reform on Transcatheter Heart Valve therapies. Professor Bennetts has participated in over 15 international aid missions to Fiji and Tanzania providing Cardiothoracic surgical services to populations unable to access heart surgery, or to help improve quality of heart surgery in these communities.
