

5 & 6 APRIL
2024

AOTEAROA LIVER TRANSPLANTATION INTERDISCIPLINARY MEETING

We would like to invite all professionals (physicians, surgeons, nurses, and allied health) to join us in Auckland on **Friday 5th of April** (Clinical Education Centre, Auckland City Hospital) and **Saturday 6th of April** (PwC Tower in CBD) for an educational programme designed to provide an update on current practice and novel areas of interest. This will be a great opportunity to strengthen national and inter professional relationships to optimise the care of liver transplant patients in Aotearoa New Zealand!

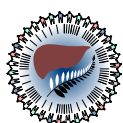

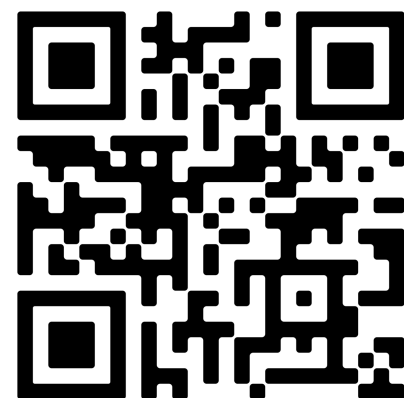

Highlights: The adolescents and young adults service, early rehabilitation, organ donation, machine perfusion, alcoholic liver disease, multidisciplinary assessment for transplantation, & interactive case-based discussions!

The conference dinner on Friday 5th April will start with drinks and canapes in The Wintergarden Pavilion in Auckland Domain at 1830hrs. This will be special space to connect as a group. The cost is included in your registration fee, with partners very welcome (\$100 per ticket). The SMO fee is \$595. The non-SMO rate is \$195.

The organizing committee – Hannah Giles, Helen Lindsay, Fionna Miller, Belinda Bennett, Jo Ritchie, Louise Barbier

Contact: Belinda Bennett bbennett@adhb.govt.nz
